Y. M. C. A. in Duluth, Minn., Being Considered Favorably by Richmond Workers

MONEY STILL COMING IN

Owing to the lateness of the hour Thursday night when the headquarters of the Y. M. C. A., at Tenth and Main Streets, were closed it was impossible to make a statement of the absolutely correct figures of the amounts already then received for the Y. M. C. A. fund.

General Secretary McKee announced these to The Times-Dispatch last night. They are as follows:

Citizens' committee	\$156,959.49
Young men's business committee	82,869.60
Members' committee	11,457.50
Boys' committee	1,062.33
Grand total	\$252,338.43
Miss Helen Gould	\$5,000.00
Sum total	\$257,338.43

Many contributions came in yesterday, the amount in all totaling up to \$175.

More Money Expected.

Now that every doubt as to the success of the movement is removed, it is

expected that many will give in order that the new building may be all that it should be.

body who so desires the opportunity to make a contribution, the headquarters of the Young Men's Christian Association will be kept open at Tenth and Main streets, Richmond, until the day that the headquarters will be moved back to the Central Young Men's Christian Association building, where the books will be kept open through February. The following are the names of the full-blooded negroes who have been elected to the committee. Mr. McKee stated last night that telegrams had been received from the following persons: Mr. M. N. Terry, president, and Mr. H. C. Neal, general secretary, of the Lynchburg Y. M. C. A., and from Dr. Charles W. Kent, of the University of Virginia, chairman

In some of the other cities where like campaigns have been successfully undertaken, the churches have taken a prominent part in furnishing the rooms, which cost about \$150 to furnish.

Her Mother Would Neither Deny,

Interest Aroused by Rumor.

[Special to The Times-Dispatch]
WASHINGTON, D. C., February 1.—It is reported in Washington that Mrs. Logan, daughter of the late Hon. John Logan, Tucker, and Hon. John C. Carlisle, of Kentucky, now of New York, will be married soon. Hon. H. St. George Tucker, Mrs. Logan's brother, said to-day that he had not heard anything of the reported engagement, and was not intended to attend the ceremony. Mrs. Logan resided in New York for a number of years. She is a

woman of rare accomplishments, and is especially noted for her wonderfully

sweet voice. It is natural that Mr. Carlisle, who was so intimately associated with the people, together with Congress, should take a warm interest in Mr. Tucker's daughter, Miss Carlisle, daughter, Miss Carlisle, daughter of H. K. Carlisle, of this city, and granddaughter of John G. Carlisle, said today she did not think her grandfather contemplated matrimony.
